PUBLISHER'S FOREWORD

Statutes

The 2012 Supplement to the Mississippi Code of 1972 Annotated reflects the statute law of Mississippi as amended by the Mississippi Legislature through the end of the 2012 Regular Session.

Annotations

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals and decisions of the appropriate federal courts. These cases will be printed in the following reporters:

- Southern Reporter, 3rd Series
- United States Supreme Court Reports
- Supreme Court Reporter
- United States Supreme Court Reports, Lawyers' Edition, 2nd Series
- Federal Reporter, 3rd Series
- Federal Supplement, 2nd Series
- Federal Rules Decisions
- Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

- American Law Reports, 6th Series
- American Law Reports, Federal Series
- Mississippi College Law Review
- Mississippi Law Journal

Finally, published opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

§ 27-31-33. Certain leasehold interests belonging to the state or a political subdivision.

ATTORNEY GENERAL OPINIONS

The current corporate lessee of county-owned property first leased in 1963 under the old A. & I. statutes with exemption from ad valorem taxes for an unspecified period is entitled to an exemption for 10 years from the date the county approved assignment of the lease to that company. When the 10 years has already expired

Approval by the county of sub-leases of the property is not an unlawful donation to a private party. Munn, March 9, 2007, A.G. Op. #07-00067, 2007 Miss. AG LEXIS 101.

[Through June 30, 2022, this section shall read as follows:]

(1) County boards of supervisors and municipal authorities are hereby authorized and empowered, in their discretion, to grant exemptions from ad valorem taxation, except state ad valorem taxation; however, such governing authorities shall not exempt ad valorem taxes for school district purposes on tangible property used in, or necessary to, the operation of the manufacturers and other new enterprises enumerated by classes in this section, except to the extent authorized in Sections 27-31-104 and 27-31-105(2), nor shall they exempt from ad valorem taxes the products of the manufacturers or other new enterprises or automobiles and trucks belonging to the manufacturers or other new enterprises operating on and over the highways of the

The time of such exemption shall be for a period not to exceed a total of ten (10) years which shall begin on the date of completion of the new enterprise for which the exemption is granted; however, boards of supervisors and municipal authorities, in lieu of granting the exemption for one (1) period of ten (10) years, may grant the exemption in a period of less than ten (10) years. Any consecutive period of exemption shall be granted by entry of an order by the board or the authority granting the consecutive exemption on its minutes, reflecting the granting of the consecutive exemption period and the dates upon which such consecutive exemption period begins and expires. The entry of this order granting the consecutive period of exemption shall be made before the expiration of the exemption period immediately preceding the consecutive exemption period being granted.

ATTORNEY GENERAL OPINIONS

An ad valorem property tax exemption granted to a factory or plant under Miss. Code Ann. § 27-31-101 may be canceled by a municipality or county a minimum of 12 months after manufacturing ceases. Ross, February 23, 2007, A.G. Op. #07-00080, 2007 Miss. AG LEXIS 28.

Whether a proposal constitutes a “project” for purposes of qualifying for a “fee-

in-lieu” of ad valorem tax under Miss. Code Ann. § 27-31-104 is a factual determination which must be made by the Mississippi Development Authority. A Project qualifying for fee-in-lieu is entitled to a single 10-year exemption based on the completion of the single qualifying project. Welch, February 2, 2007, A.G. Op. #07-00013, 2007 Miss. AG LEXIS 9.

§ 27-31-104. Grant of fee in lieu of taxes for certain projects.

[Through June 30, 2022, this section shall read as follows:]

(1) County boards of supervisors and municipal authorities are hereby authorized and empowered to grant a fee-in-lieu of taxes, including taxes levied for school purposes, for projects totaling over One Hundred Million Dollars (\$100,000,000.00). In addition to those new enterprises enumerated in Section 27-31-101, Mississippi Code of 1972, the term “projects,” as used in this section, shall include:

(a) A private company (as such term is defined in Section 57-61-5, Mississippi Code of 1972) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00).

(b) A qualified business (as such term is defined in Section 57-117-3) meeting minimum criteria established by the Mississippi Development Authority.

(2) The fee-in-lieu shall be negotiated by and given final approval by the Mississippi Development Authority.

(3) The minimum sum allowable as a fee-in-lieu shall not be less than one-third ($\frac{1}{3}$) of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. The agreement shall be for a term of not more than ten (10) years.

(4) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third ($\frac{1}{3}$) of that amount. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or one-third ($\frac{1}{3}$) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(5) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(6) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

[From and after July 1, 2022, this section shall read as follows:]

(1) County boards of supervisors and municipal authorities are hereby authorized and empowered to grant a fee-in-lieu of taxes, including taxes levied for school purposes, for projects totaling over One Hundred Million Dollars (\$100,000,000.00). In addition to those new enterprises enumerated in Section 27-31-101, Mississippi Code of 1972, the term "projects," as used in this section, shall include a private company (as such term is defined in Section 57-61-5, Mississippi Code of 1972) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00).

(2) The fee-in-lieu shall be negotiated by and given final approval by the Mississippi Development Authority.

(3) The minimum sum allowable as a fee-in-lieu shall not be less than one-third ($\frac{1}{3}$) of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. The agreement shall be for a term of not more than ten (10) years.

(4) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or one-third ($\frac{1}{3}$) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

ARTICLE 1.

GENERAL PROVISIONS.

SEC.

27-33-19. Home and homestead defined.

The word “home” or “homestead” whenever used in this article shall mean the dwelling, the essential outbuildings and improvements, and the eligible land assessed on the land roll actually occupied as the primary home of a family group, eligible title to which is owned by the head of the family, a bona fide resident of this state, and when the dwelling is separately assessed on the land roll for the year in which the application is made, subject to the limitations and conditions contained in this article. And the meaning of the word is hereby extended to specifically include:

(a) One or more separate, bona fide dwellings and the land on which they are located, each occupied under eligible ownership rights by the widow or the widower, or the children of a deceased parent, each separate home being property or a portion of property owned by a deceased person whose estate has not been distributed or divided or vested in a person or persons for life. But in each case the property for which exemption is sought may not be more than the applicant’s inherited portion, and must be accurately described on the application and the conditions explained in writing. But the heirs may elect to accept one (1) homestead for the estate. The home occupied by the surviving spouse as provided by the laws of this state shall be preferred over the homes claimed by the children, and the exemption to any other heir shall not exceed the remaining amount obtained by deducting the assessed value of the surviving spouse’s portion from the assessed value of the whole, divided by the number of heirs other than the surviving spouse. Each heir claiming exemption shall meet the requirements as to occupancy, residence and head of a family, and no part of the undivided inherited lands shall be combined with other lands and included in a homestead exemption under this article except in the case of the surviving spouse.

(b) One or more separated dwellings and eligible land, not apartments, occupied each by a family group as a bona fide home, eligible title to which entire property is held jointly by purchase or otherwise by the heads of the families, and each joint owner shall be allowed exemption on the proportion of the total assessed value of all the property, equal to his fractional interest (except as otherwise provided in paragraph (r) of this section), provided no part of the jointly owned property shall be exempted to a joint owner who has been allowed an exemption on another home in the state.

(e) The dwelling and the eligible land on which it is located, consisting of not more than four (4) apartments; provided (i) if one (1) apartment is actually occupied as a home by the owner the exemption shall be limited to one-fourth ($\frac{1}{4}$) the exemption granted pursuant to this article, or (ii) if the dwelling and land is owned by four (4) persons and the four (4) owners each occupy one (1) apartment as a home, the exemption shall be granted equally to each owner; provided revenue is not derived from any part of the property except as permitted by paragraphs (g) and (h) of this section. If the dwelling and the eligible land on which it is located consists of not more than three (3) apartments, and one (1) apartment is actually occupied as a home by the owner, the exemption shall be limited to one-third ($\frac{1}{3}$) the exemption granted pursuant to this article, or if the dwelling and land is owned by three (3) persons and the three (3) owners each occupy one (1) apartment as a home, the exemption shall be granted equally to each owner; provided revenue is not derived from any part of the property except as permitted by paragraphs (g) and (h) of this section. If the dwelling and the eligible land on which it is located consists of not more than two (2) apartments and one (1) apartment is actually occupied as a home by the owner, the exemption shall be limited to one-half ($\frac{1}{2}$) the exemption granted pursuant to this article, or if the dwelling and land is owned by two (2) persons and the two (2) owners each occupy one (1) apartment as a home, the exemption shall be granted equally to each owner; provided revenue is not derived from any part of the property except as permitted by paragraphs (g) and (h) of this section.

(f) The dwelling and eligible land on which it is located, actually occupied as the bona fide home of a family group owned by the head of the family whereof five (5) and not more than six (6) rooms are rented to tenants or boarders, and where there are rented rooms and an apartment, the apartment shall be counted as three (3) rooms; provided the exemption shall be limited to one-half ($\frac{1}{2}$) the exemption granted pursuant to this article.

(g) The dwelling and eligible land being the bona fide home of a family group owned by the head of the family used partly as a boarding house, or for the entertainment of paying guests, if the number of boarders or paying guests does not exceed eight (8).

2. Construction and application.

Board of supervisors did not have the authority to reassess an owner's property after it approved the tax roll under Miss. Code Ann. § 27-35-147, as an incorrect valuation due to the owner's failure to

comply with Miss. Code Ann. § 27-35-50(4)(d) was not an incorrect classification of its land, and a special valuation under § 27-35-50(d) was not an exemption. 3545 Mitchell Rd., LLC v. Bd. of Supervisors, 62 So. 3d 379 (Miss. 2011).

§ 27-35-155. Assessment of persons and property having escaped taxation.

ATTORNEY GENERAL OPINIONS

The current corporate lessee of county-owned property first leased in 1963 under the old A. & I. statutes with exemption from ad valorem taxes for an unspecified period is entitled to an exemption for 10 years from the date the county approved assignment of the lease to that company. When the 10 years has already expired

and the county erroneously omitted that leasehold from the tax assessment rolls for several years, the county may not assess back taxes. Approval by the county of sub-leases of the property is not an unlawful donation to a private party. Munn, March 9, 2007, A.G. Op. #07-00067, 2007 Miss. AG LEXIS 101.

27-39-205.	Repealed.
27-39-207.	Advertisement of intention to increase ad valorem tax by school district; form and content of public notice; hearings.

§ 27-39-203. Public hearings to consider budget and tax levies; form and content of advertisement of hearings.

(1) The governing body of all taxing entities shall hold a public hearing at which time the budget and tax levies for the upcoming fiscal year will be considered.

(2) The public hearing shall be advertised in accordance with the following procedures. The advertisement shall be no less than one-fourth (¼) page in size and the type used shall be no smaller than eighteen (18) point and surrounded by a one-fourth-inch solid black border. The advertisement may not be placed in that portion of the newspaper where legal notices and classified advertisements appear. It is the intent of the Legislature that the advertisement appears in a newspaper that is published at least five (5) days a week, unless the only newspaper in the county is published less than five (5) days a week. It is further the intent of the Legislature that the newspaper selected be one of general interest and readership in the community, and not one of limited subject matter. The advertisement shall be run once each week for the two (2) weeks preceding the adoption of the final budget. The advertisement shall state that the taxing entity will meet on a certain day, time and place fixed in the advertisement, which shall be not less than seven (7) days after the day the first advertisement is published, for the purpose of hearing comments regarding the proposed budget and proposed tax levies. Any increase in the projected budget revenues or any increase in the millage rate over the current fiscal year shall be explained by the governing body giving the reasons for the proposed increase. A taxing entity collecting taxes in more than one (1) county shall make the required advertisement by publication in each county where the taxing entity collects taxes.

(3) All hearings shall be open to the public. The governing body of the taxing entity shall permit all interested parties desiring to be heard an opportunity to present oral testimony within reasonable time limits.

(4) Each taxing entity shall notify the county or municipal governing body of the date, time and place of its public hearing. No taxing entity may schedule its hearing at the same time as another overlapping taxing entity in the same county, but all taxing entities in which the power to set tax levies is vested in the same governing authority may consolidate the required hearings into one (1) hearing. The county or municipal governing body shall resolve any conflicts in hearing dates and times after consultation with each affected taxing entity.

(5) If the proposed tax levies are not in excess of the current fiscal year's certified tax rate, the advertisement shall be in the following form:

**“NOTICE OF A PUBLIC HEARING ON THE PROPOSED BUDGET
AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR
FOR — (Name of the taxing entity)**

The (name of the taxing entity) will hold a public hearing on its proposed budget and proposed tax levies for fiscal year (insert the year) on (date and time) at (meeting place).

The (name of the taxing entity) is now operating with projected total budget revenue of \$ _____. (_____ percent) or \$ _____ of such revenue is obtained through ad valorem taxes. For the next fiscal year, the proposed budget has total projected revenue of \$ _____. Of that amount, (_____ percent) or \$ _____, is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for fiscal year (insert the year) above the current fiscal year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for fiscal year (insert the year).

Any citizen of (name of the taxing entity) is invited to attend this public hearing on the proposed budget and tax levies for fiscal year (insert the year) and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.”

(6)(a) If the proposed tax levies for the upcoming fiscal year shall exceed the current fiscal year's certified tax rate, the advertisement shall be in the following form:

**“NOTICE OF A TAX INCREASE AND A PUBLIC HEARING ON THE
PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR — (Name
of the taxing entity)**

The (name of the taxing entity) will hold a public hearing on a proposed ad valorem tax revenue increase for fiscal year (insert the year) and on its proposed budget and proposed tax levies for fiscal year (insert the year) on (date and time) at (meeting place).

The (name of the taxing entity) is now operating with projected total budget revenue of \$ _____. (_____ percent) or \$ _____ of such revenue

is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$_____. Of that amount, (_____ percent) or \$_____ is proposed to be financed through a total ad valorem tax levy.

For next fiscal year, the (name of the taxing entity) plans to increase your ad valorem tax millage rate by _____ mills from _____ mills to _____ mills. This increase means that you will pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property.

Any citizen of (name of the taxing entity) is invited to attend this public hearing on the proposed ad valorem tax increase, and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.”

(b) If an increase in the tax levy is necessary only because of an increased funding request made by a county district or any other cost which by law the county must fund and may not decrease in amount, then the notice required by this subsection shall be used and the county shall explain, in clear language in the notice, that the increase in the tax levy is necessary only because of the increased funding request of the county district or other cost incurred.

(7) After the hearing has been held in accordance with the above procedures, the governing body of the taxing entity may adopt a resolution levying a tax rate on classes of property designated by Section 112, Mississippi Constitution of 1890, as specified in its advertisement. If the resolution adopting the tax rate is not adopted on the day of the public hearing, the scheduled date, time and place for consideration and adoption of the resolution shall be announced at the public hearing and the governing body shall advertise the date, time and place of the proposed adoption of the resolution in the same manner as provided under subsection (2).

(8) Any governing body of a tax entity shall be prohibited from expending any funds for the applicable fiscal year until it has strictly complied with the advertisement and public hearing requirements set forth in this section.

(2) A request for an increase in ad valorem tax effort in dollars for the support of the school district pursuant to Sections 37-57-105 and 37-57-107 shall not be levied until an order has been approved by the school board of the school district in accordance with the following procedure:

(a) The school board of the school district shall advertise its intent to increase its ad valorem tax effort in dollars in a newspaper of general circulation in the county. The advertisement shall be no less than one-fourth ($\frac{1}{4}$) page in size and the type used shall be no smaller than eighteen (18) point and surrounded by a one-fourth-inch solid black border. The advertisement shall not be placed in any portion of the newspaper where legal notices and classified advertisements appear. The advertisement shall appear in a newspaper that is published at least five (5) days a week, unless the only newspaper in the county is published less than five (5) days a week. The newspaper selected shall be one of general interest, readership and circulation in all areas of the community. The advertisement shall be published once each week for the two-week period preceding the adoption of the final budget. The advertisement shall provide that the school board of the school district will meet on a certain day, date, time and place fixed in the advertisement, which shall be no less than seven (7) days after the day the first advertisement is published. The meeting on the proposed increase may coincide with the hearing on the proposed budget of the school board of the school district.

(b) Except as provided for in subsection (1) of this section, if a school district is requesting an increase in ad valorem tax effort in dollars pursuant to Sections 37-57-105 and 37-57-107, it shall be in the following form:

(Name of the school district)**

The (name of the school district) will hold a public hearing on its proposed school district budget for fiscal year (insert the year) on (date and time) at (meeting place). At this meeting, a proposed ad valorem tax effort will be considered.

The (name of the school district) is now operating with a projected total budget revenue of \$ _____. Of that amount, _____ percent or \$ _____ of such revenue is obtained through ad valorem taxes. For the next fiscal year, the proposed increase in ad valorem tax effort by (name of the school district) may result in an increase in the ad valorem tax millage rate. Ad valorem taxes are paid on homes, automobile tags, business fixtures and equipment, and rental real property.

Any citizen of (name of the school district) is invited to attend this public hearing on the proposed ad valorem tax effort, and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken."

(3) The school board of the school district, after the hearing has been held in accordance with the above procedures, may adopt an order requesting the levying of an ad valorem tax effort in dollars in excess of the certified tax rate. If such order is not adopted on the day of the public hearing, the scheduled date, time and place for consideration and adoption of the order shall be announced at the public hearing.

(4) All hearings shall be open to the public. The school board of the school district shall permit all interested parties desiring to be heard an opportunity to present oral testimony within reasonable time limits and offer tangible evidence.

(5) Each school board of a school district shall notify the taxing entity of the date, time and place of its public hearing. No school board of a school district may schedule its hearing at the same time as another overlapping school district in the same county.

- 27-39-317. County ad valorem taxes; time and manner of levy.
- 27-39-332. Power and authority of county to levy tax to support Mississippi Burn Care Fund; power and authority of county to levy tax to support the construction and/or operation of Burn Center Lodge.

§ 27-39-317. County ad valorem taxes; time and manner of levy.

The board of supervisors of each county shall, at its regular meeting in September of each year, levy the county ad valorem taxes for the fiscal year, and shall, by order, fix the tax rate, or levy, for the county, for the road districts, if any, and for the school districts, if any, and for any other taxing districts; and the rates, or levies, for the county and for any district shall be expressed in mills or a decimal fraction of a mill. Said tax rates, or levies, shall determine the ad valorem taxes to be collected upon each dollar of valuation, upon the assessment rolls of the county, including the assessment of motor vehicles as provided by the Motor Vehicle Ad Valorem Tax Law of 1958, Section 27-51-1 et seq., for county taxes; and upon each dollar of valuation for the respective districts, as shown upon the assessment rolls of the county, including the assessment of motor vehicles as provided by the Motor Vehicle Ad Valorem Tax Law of 1958, Section 27-51-1 et seq.; except as to such values as shall be exempt, in whole or in part, from certain tax rates or levies. If the rate or levy for the county is an increase from the previous fiscal year, then the proposed rate or levy shall be advertised in accordance with Section 27-39-203. If the board of supervisors of any county shall not levy the county taxes and the district taxes at its regular September meeting, the board shall levy the same on or before September 15 at an adjourned or special meeting, or thereafter, provided, however, that if such levy be not made on or before the fifteenth day of September then the tax collector or Department of Revenue may issue road and bridge privilege tax license plates for motor vehicles as defined in the Motor Vehicle Ad Valorem Tax Law of 1958, Section 27-51-1 et seq., without collecting or requiring proof of payment of county ad valorem taxes, and may continue to so issue such plates until such levy is duly certified to him, and for twenty-four (24) hours thereafter.

Notwithstanding the requirements of this section, in the event the Department of Revenue orders the county to make an adjustment to the tax roll pursuant to Section 27-35-113, the county shall have a period of thirty (30) days from the date of the commission's final determination to adjust the millage in order to collect the same dollar amount of taxes as originally levied by the board.

In making the levy of taxes, the board of supervisors shall specify, in its order, the levy for each purpose, as follows:

(a) For general county purposes (current expense and maintenance taxes), as authorized by Section 27-39-303.

(b) For roads and bridges, as authorized by Section 27-39-305.

(c) For schools, including the countywide minimum education program levy and the levy for each school district including special municipal separate school districts, but not including other municipal separate school districts, and for an agricultural high school, county high school or junior college (current expense and maintenance taxes), as authorized by Chapter 57, Title 37, Mississippi Code of 1972, and any other applicable statute. The

levy for schools shall apply to the assessed value of property in the respective school districts, including special municipal separate school districts, but not including other municipal separate school districts, and a distinct and separate levy shall be made for each school district, and the purpose for each levy shall be stated.

(d) For road bonds and the interest thereon, separately for countywide bonds and for the bonds of each road district.

(e) For school bonds and the interest thereon, separately for countywide bonds and for the bonds of each school district.

(f) For countywide bonds, and the interest thereon, other than for road bonds and school bonds.

(g) For loans, notes or any other obligation, and the interest thereon, if permitted by the law.

(h) For any other purpose for which a levy is lawfully made.

The order shall state all of the purposes for which the general county levy is made, using the administrative items suggested by the State Department of Audit of Mississippi under the county budget law in its uniform system of accounts for counties, but the rate or levy for any item or purpose need not be shown; and if a countywide levy is made for any general or special purpose under the provisions of any law other than Section 27-39-303, each such levy shall be separately stated.

During the month of February of each year, if the order or resolution of the board of trustees of any school district of said county or partly in said county, is filed with it requesting the levying of ad valorem taxes for the support and maintenance of such school district for the following fiscal year, then the board of supervisors of every such county in the state shall notify, in writing, within thirty (30) days, the county superintendent of education of such county, the levy or levies it intends to make for the support and maintenance of such school districts of such county at its regular meeting in September following, and the county superintendent of education and the trustees of all such school districts shall be authorized to use such expressed intention of the board of supervisors in computing the support and maintenance budget or budgets of such school district or districts for the ensuing fiscal school year.

GENERAL PROVISIONS

SEC.	
27-41-59.	Sales of land for taxes; conduct of sale; offering property for sale for second time under certain circumstances; conduct of second sale [Subsection (2) repealed effective September 1, 2013].
27-41-79.	Sales of land for taxes; certified lists of lands sold.
27-41-81.	Sales of land for taxes; certified lists of lands sold.

§ 27-41-55. Sales of land for taxes; advertisement.

ATTORNEY GENERAL OPINIONS

A town may treat expenses for cleaning property either as a civil debt or as a lien on the property. A lien is to be treated exactly as a lien for delinquent taxes and thus remains viable through any foreclosure proceedings. In a sale to recover the lien amount, a town must follow the procedures for notice, time of sale, and the like pursuant to Miss. Code Ann. § 27-41-55 et seq. Maxey, March 2, 2007, A.G. Op. #07-00088, 2007 Miss. AG LEXIS 83.

§ 27-41-59. Sales of land for taxes; conduct of sale; offering property for sale for second time under certain circumstances; conduct of second sale [Subsection (2) repealed effective September 1, 2013].

(1) Except as otherwise provided in Section 27-41-2, on the first Monday of April, if the tax collector has exercised his option to hold a tax sale on that day, and on the last Monday of August, as the case may be, if the taxes remain unpaid, the tax collector shall proceed to sell, for the payment of taxes then remaining due and unpaid, together with all fees, penalties and damages provided by law, the land or so much and such parts of the land of each delinquent taxpayer to the highest and best bidder for cash as will pay the amount of taxes due by him and all costs and charges. He shall first offer one hundred sixty (160) acres or a smaller separately described subdivision, if the land is less than one hundred sixty (160) acres. If the first parcel so offered does

not produce the amount due, then he shall offer as an entirety all the land constituting one (1) tract. Each separate assessment as it appears and is described on the assessment roll shall constitute one (1) tract for the purpose of sale for taxes, notwithstanding the fact that the person who is the owner thereof, or to whom it is assessed, is the owner of or is assessed with other lands, the whole of which constitutes one (1) entire tract but appears on the assessment roll in separate subdivisions. Upon offering the land of any delinquent taxpayer constituting one (1) tract, if no person will bid for it, the whole amount of taxes and all costs incident to the sale, the tax collector shall strike it off to the state. The sale shall be continued from day to day within the hours from 8:30 o'clock in the forenoon and 4:30 o'clock in the afternoon until completed; but neither a failure to advertise, nor error in the advertisement, nor error in conducting the sale, shall invalidate a sale at the proper time and place for taxes of any land on which the taxes were due and not paid, but a sale made at the wrong time or at the wrong place shall be void. Any person sustaining damages by reason of any failure or error by the tax collector may recover damages therefor on his official bond.

(2) If property in a public improvement district established under Section 19-31-1 et seq. fails to receive a bid and is struck off to the state under this section, the tax collector, upon approval of the Secretary of State and the governing bodies of the county or city in which the public improvement district is located, may, prior to the expiration of the redemption period, offer the property for sale for a second time. The second sale shall be conducted in the manner prescribed by law for the sale of land for taxes not made at the time appointed by law for such sales under Section 27-41-65, and the tax collector shall include all years for which taxes are delinquent on the property. The property may be offered as a whole or subdivided for purposes of the second sale. If there is no purchaser at the second sale, then the property, if not redeemed, shall mature to the state at the expiration of the redemption period as though no second sale had occurred. If the property is purchased at the second sale, the property may be redeemed at any time within two (2) years after the date of the second sale by the persons and in the manner as provided in Section 27-45-3. This subsection (2) shall be repealed on September 1, 2013.

The tax collector may issue a warrant under his official seal directed to the sheriff of any county of the state commanding him to immediately seize and sell the real and personal property of the person owning the property found within the county in which the judgment is enrolled for the payment of the amount of ad valorem tax on personal property as set forth in the warrant, and the cost of executing the warrant. Any such property sold shall be sold by sheriff's bill of sale.

As an alternative to the sheriff seizing and selling the personal property of the person, the tax collector or a deputy tax collector may employ an off-duty deputy sheriff, certified by the Board on Law Enforcement Officer Standards and Training, to exercise the same authority as the sheriff under Sections 27-41-101 through 27-41-109 and Sections 13-3-161 through 13-3-173 with regard to personal property, if (a) the sheriff of the county has agreed in writing that the tax collector may employ such deputy, and (b) the board of supervisors has approved the agreement between the tax collector and the sheriff.

The circuit clerk shall proceed as provided in Section 27-41-101 upon receiving a copy of the notice of tax lien from the tax collector. Ad Valorem Taxes—Notice of Tax Sale to Owners and Lienors

§ 27-43-1. Notice to owners.

JUDICIAL DECISIONS

2. Clerk's failure to give prescribed notice.

Summary judgment quieting title in a purchaser was improper, as a city was entitled to notice of the expiration of the right of redemption before a tax sale pursuant to Miss. Code Ann. § 27-43-1; it had a reversionary interest in the property

that was stated plainly on the face of a quitclaim deed, and as it did not receive such notice, the tax sale was void. *City of Jackson v. Rebuild Am., Inc.*, 77 So. 3d 1105 (Miss. Ct. App. 2011), writ of certiorari denied en banc by 78 So. 3d 906, 2012 Miss. LEXIS 27 (Miss. 2012).

JUDICIAL DECISIONS

3. Sufficiency of affidavit.

2. Failure of clerk to give prescribed notice.

In a grantee's action against a chancery clerk and a county sheriff to recover damages for their failure to strictly comply with the notice requirements of Miss. Code Ann. § 27-43-3, the trial court correctly held that whether the alleged conduct was "inadvertent" was irrelevant to whether the grantee's claims were precluded by the doctrine of caveat emptor; instead, the relevant question is whether there was a statutory remedy against the chancery clerk or the sheriff because recovery was otherwise barred by caveat emptor, and Miss. Code Ann. § 27-43-3 did not create one. *Rebuild Am., Inc. v. Johnson*, — So. 3d —, 2010 Miss. App. LEXIS 184 (Miss. Ct. App. Apr. 13, 2010).

Trial court did not err in dismissing a grantee's action against a chancery clerk and a county sheriff to recover damages for their failure to strictly comply with the notice requirements of Miss. Code Ann. § 27-43-3 because the grantee failed to identify any statutory remedy allowing it to recover against the chancery clerk and the sheriff; no remedy exists to the purchaser in an invalid tax sale unless a

remedy is specifically created by statute, and that § 27-43-3 creates an exception to liability does not create liability in the absence of the exception. *Rebuild Am., Inc. v. Johnson*, — So. 3d —, 2010 Miss. App. LEXIS 184 (Miss. Ct. App. Apr. 13, 2010).

Chancellor did not err in finding that the chancery clerk failed to comply with the notice procedure of a tax sale pursuant to Miss. Code Ann. § 27-43-3 because leaving a copy of the notice attached to an outer door of a structure on the subject property was insufficient to satisfy the personal service requirement of § 27-43-3, and the record contained only a single affidavit, which was unsworn, concerning a single search and inquiry; under a strict reading of § 27-43-3, the chancery clerk's affidavit cannot be a substitute for personal service where notice by mail was completed. *Rebuild Am., Inc. v. Estate of Wright*, 27 So. 3d 1202 (Miss. Ct. App. 2010).

3. Sufficiency of affidavit.

Chancellor erred in granting summary judgment in favor of the purchaser of a property at a tax sale when the owner challenged the sale; the tax sale was void for failure to comply with Miss. Code Ann. § 27-43-3 in that an affidavit filed by a deputy chancery clerk was neither sworn

to or notarized and thus, it was merely a piece of paper with the word "affidavit" as

its title. *Johnson v. Ferguson*, 58 So. 3d 711 (Miss. Ct. App. 2011).

§ 27-43-5. Notice to lienors.

JUDICIAL DECISIONS

2. Construction and application, generally.

Tax sale was void under Miss. Code Ann. § 27-43-11 as to the holder of a deed of trust where a chancery clerk failed to comply with the notice requirements of

Miss. Code Ann. § 27-43-5; the notice failed to identify the holder's lien by book, page, and date. *Wachovia Bank, N.A. v. Rebuild Am., Inc.*, 56 So. 3d 586 (Miss. Ct. App. 2011).

§ 27-43-11. Liens; fees of clerk; failure to give notice.

JUDICIAL DECISIONS

2. Construction and application.

Tax sale was void under Miss. Code Ann. § 27-43-11 as to the holder of a deed of trust where a chancery clerk failed to comply with the notice requirements of

Miss. Code Ann. § 27-43-5; the notice failed to identify the holder's lien by book, page, and date. *Wachovia Bank, N.A. v. Rebuild Am., Inc.*, 56 So. 3d 586 (Miss. Ct. App. 2011).

CHAPTER 45

Ad Valorem Taxes—Redemption of Land Sold for Taxes

§ 27-45-3. Persons who may redeem land.

JUDICIAL DECISIONS

1. In general.

Chancellor erred in failing to award damages and interest to an owner in its quiet title action pursuant to Miss. Code Ann. §§ 27-45-3 and 27-45-27 because the issue was properly submitted to the chancery court in the owner's initial complaint,

but the chancellor's final judgment did not address whether the owner would be entitled to damages; the chancellor should have addressed the issue before entering a final judgment. *Rebuild Am., Inc. v. Estate of Wright*, 27 So. 3d 1202 (Miss. Ct. App. 2010).

§ 27-45-23. Conveyances to purchasers at tax sales.

JUDICIAL DECISIONS

1. In general.

Landowner's action for ejectment was not barred by res judicata because not only was the landowner not made a party to a prior action that vested perfect title in the disputed party to a developer's predecessor in title, she clearly did not receive

proper notice of it as required by Miss. Code Ann. § 27-45-23; because the landowner submitted ample evidence that her property had never been the subject of delinquent taxes, the strip of land was not liable to sale for non-payment of taxes. *Delta Hous. Dev. Corp. v. Johnson*, 48 So.

3d 573 (Miss. Ct. App. 2010), writ of certiorari denied en banc by 49 So. 3d 1139, 2010 Miss. LEXIS 628 (Miss. 2010).

If the seller or transferor does not elect to receive such credit at the time the license plate is surrendered, the issuing authority shall issue a certificate of credit to the seller or transferor, or to the seller's or transferor's spouse or dependent child, or to any other person, business or corporation, at the direction of the seller or transferor, for the remaining unexpired taxes prorated from the first day of the month following the month in which the license plate is surrendered. (7) Any person found violating any of the provisions of this section shall be arrested and tried, and if found guilty shall be fined in an amount double the total amount of taxes involved.
